2019 PERSONAL MILESTONES

1. Paige celebrated 6 years as a full-time missionary with CDV in October.
2. Stalin and Paige celebrated 4 years of marriage. (January 23rd is our anniversary).
3. Paige's parents came to visit us for a week in July!
4. Stalin traveled to 9 cities in Peru with our HI (pastors round tables) team to train & disciple pastors. We have 264 pastors from 253 churches that we are working with currently.
5. Paige taught in our IDL Ministry School. She teaches a health & fitness course to the full-time students & taught in the leadership 2 course for the part-time students.
6. Kids Club Ministry - we disciplined the 40+ leadership team through small groups, training sessions & events as well as grew the ministry from 75+ children to over 500+ children.
7. Paige co-ordinated & hosted the 25+ mission teams that partnered with CDV. We were able to impact over 200 people's lives & help teach them what the local church is doing in missions around the world. These teams helped to impact the 54,892 people CDV reached through various outreach programs.
8. [Stalin](#) assists & translates for Pastor Al Furey (English in video starts at minute 56) - Ps. Al is a full-time minister & missionary along with his wife Kathy. They minister to our church each weekend & Stalin is able to be his mouth in Spanish. He also translates for him each time he does a pastor round table.
9. [We became ministers at CDV](#) - (min 40) This was a huge honor for us. To know that our pastors believe & trust in us enough to call us ministers of CDV is a huge honor.
10. Paige was able to preach in Spanish for the first time ever. This was not something we expected but when I was asked by a little church in our city, the obvious answer was, "Yes! I'll be there!"
11. Stalin & Paige lead the 3rd service at the La Victoria campus. This means that we do the pre-service meetings before each service, lead our teams, relay needed information, speak on stage as needed to do the welcome or offering announcements..etc.
